Training Provider Declaration

As the training provider and on behalf of the apprentice, and employer; agree that we have assessed the work completed to date by the apprentice and confirm that all the requirements have been met for the standard as detailed in the Assessment Plan. We are satisfied that the End-Point Assessment Gateway requirements have been achieved. Evidence submitted in addition to this declaration form will be used by BCS, as the Awarding Organisation to assess the Apprentice – which will result in a formal grade that will be submitted to all relevant bodies. We confirm that the information provided is correct and will be used for the purposes of obtaining the Apprentice Standard Certificate. If the information provided is incorrect, this may result in additional charge.

The training provider confirms that

- that the requirements defined by the standard for maths and English have been completed and achieved.
- that the evidence submitted by the Apprentice is their own work and best demonstrates how the minimum requirements for these criteria has been met.
- confirm that BCS has been selected as the EPA organisation on the apprentice ILR
- confirm that the evidence being submitted has been checked against the requirements of the assessment plan and meets the requirements
- **It is the responsibility of the Training Provider to check that all files have been submitted and can be accessed by the EPAO. BCS cannot be held responsible for any missing or corrupt files. BCS Assessors can only assess the files that have been uploaded by the Training Provider for the EPA. BCS can accept no additional evidence and BCS will carry out assessments on the evidence submitted only.**
